Re: Summer Program

This summer, the Education Department Learning Center hours will be 11:00 a.m. 5:00 p.m., Monday-Friday and will run from June 12th through August 11th. During the hours of operation we will be open for on-site learning and off-site fieldtrips. On the days that we go on fieldtrips, the Learning Center will be closed for children who do not attend.

The Education Department will be providing lunch at noon and an afternoon snack to the children participating in the summer program.

The Education Department requires that students are engaged in the educational development program called ACELLUS, as well as our summer reading program. If children are not actively involved in this program or a designated educational activity, they will be excluded from the trips that are listed.

Attached are two permission slips. 1.) The Swimming Permission Slip needs to be completed, signed and turned in, in order for your child to be eligible to attend our weekly swimming trips. 2.) The Summer Field Trip Form needs to be completed, signed and turned in for your child to be eligible to attend ALL other fieldtrips. Please submit completed forms to the Education Department before the date of departure.

Enclosed is a list of dates and locations of fieldtrips for the summer. Dates and locations are tentative based on attendance, participation, weather, and funding. As each date approaches, details of time and locations will be shared.

Thank you,

Education Department Hopland Band of Pomo Indians
