Consolidated Tribal Health Projects-Behavioral Health Outreach

Consolidated Tribal Health Projects: Behavioral Health Outreach Calendar

Consolidated Tribal Health Projects is excited to announce that the Behavioral Health Program will be providing services on site throughout the county and the community. Services will consist of 1:1 counseling, drug treatment assistance, assessments, therapy, crisis intervention, and grief support. All Services will be conducted at tribal offices or a designated location. For more Information contact William Feather at 707-234-2510 or email at: wfeather@cthp.org
