

Hopland Band of Pomo Indians Community Health Needs Assessment and Housing Survey

The Hopland Band of Pomo Indians is working to gain better understanding of various services offered for our community; including the health and housing needs of our community. The answers to this survey will help shape our programs and services for the future. We greatly value your participation in responding to this survey.

Your participation in this survey is voluntary. Anything you share will be kept confidential. This means it can't be linked to you as a person. This survey will take about 15 minutes to complete. Please only complete the survey one time.

You must be 18 years or older to take this survey. Please do not continue if you are not 18 yet.

Please see the end of the survey for an opportunity to enter to win a \$25.00 gift card.

Please scan the below QR code with your device camera and select the link. This will go directly to an electronic version of the survey.
